

Regulatory Compliance

David Edwards – Solicitor – BSc, MA

Health & Safety

- Core legal duties/potential liability
- Enduring and recurring obligations (eg – risk assessment)
- What's changed?
- Good practice
- Resources

Sustainable compliance

- Perpetual focus on responsibilities and compliance
- Importance of Compliance;
 - Operational efficiency/commercial success
 - Legal obligation
 - Consequences of things going wrong – financial and legal (including criminal – Directors, Trustees, etc...), and reputational damage

The future

- Shift in Regulatory and Compliance priorities/political will
- General
